

# Catalog 020.

VER. 02

Wakeparks equipment powered by techramps group.

 **WAKEPRO**

# Specs.

VER. 02

This price list cancels and replaces all previous price lists and package content lists for WAKEPRO.eu products. It is valid until further notice. WAKEPRO reserves the right to change prices to cope with inflation, material price fluctuations, and market conditions. Applicable taxes, shipping, installation and all other costs are NOT included.

## Technology

All the products are manufactured by plastic extrusion welding technology, without using steel frames.

## CNC Cutting

A rich machine park, including three CNC plotters, allows to manufacture our products with surgical precision.

## CAD designing

Advanced design process based on the analysis of buoyancy and forces acting on the device.

## Core

Styrofoam with increased resistance to stress.

## Main Material

High density polyethylene (HDPE), UV protected – manufactured on request by industry leader – German company Roehling.

## Techramps Group

Wakepro is a part of the Techramps group, which manufactures various types of sport facilities products. If You are looking for skatepark, pumtrack, street workout, parkour park, wave ramps or snowpark, You can get them from one supplier and from one place.

# Info.

This price list cancels and replaces all previous price lists and package content lists for WAKEPRO.eu products. It is valid until further notice. WAKEPRO reserves the right to change prices to cope with inflation, material price fluctuations, and market conditions. Applicable taxes, shipping, installation and all other costs are NOT included.

## High quality

The main product material is HDPE from one of the industry leaders - the German company ROECHLING. All the products are manufactured by qualified staff with official professional certificates.

## Modular

The elements consist of modules, making transport and assembly easier. In addition, some features can be combined with each other to get more advanced setup.

## Community

We collect feedback from the community aimed at matching our products to the riders expectations.

## Experience

8 years of experience in the production of wakepark features, translates into more than 200 obstacles made till year 2019.

- 20 years of experience in the construction of sports facilities as the techrampsgroup.com
- More than 200 wakepark features manufactured since 2012
- More than 1000 sport facilities built as techrampsgroup.com, since 1999

## Warranty

All the products are covered with 5 years warranty.

# Kickers.
